Name, surname NV. Class 4ESOA. Subject Maths.

English Version

The model is an associative image which shows the comparison of some notion, process or phenomenon of science or mathematics with some every day or natural object, process or phenomenon.

Notion , process or phenomenon	Opposite number
Definition or explanation	In mathematics, the additive inverse or opposite of a <u>number</u> a is the number that, when <u>added</u> to a , yields <u>zero</u>
Model	
Description of the model	The model, tries to show the relation between a number and his inverse as a distance between the two man in the pictures and the center of this see-saw. No matter where one of the is, the other will be just at the other side and the shaft will be right in the middle.

Version Española

El modelo está compuesto de una imagen que muestra la analogía entre un concepto científico o matemático y un objeto, fenómeno o situación cotidiana

Noción, proceso o fenómeno	Opuesto o inverso
Definición o explicación	El inverso de un número es tal que sumado al número original resulta 0
Modelo	
Descripción del modelo	El modelo se centra en mostrar que la distancia entre los dos hombres de la imagen y el centro del columpio es siempre la misma y que no importa donde esté uno de ellos, el otro siempre estará a la otra parte del eje, equidistantemente situado
